Jay Mo

Developer

14 year old programmer attending Bergen County Academies (HS) for Computer Science. I build passionately, and inspire others.

Experience

Web Developer
Global Hackathon Seoul
Nov 2014 - Present
I'm currently developing the website for the Global Hackathon happening during the summer in Seoul, South Korea. http://seoul.globalhackathon.io/

Organizer
hackBCA
Hackensack, NJ
Sep 2014 - Present
I am currently an organizer/volunteer at hackBCA. Being part of the tech team, I've developed a few pages and took part in organizing Local Hack Day @BCA.

Project Lead
Capture the CTF
Jul 2014 - Present
I am currently the project lead in creating a CTF Competition for high school students.
